SVIA
Specialty Vehicle Institute of America

State laws may vary as to the minimum age of operation, check your local laws before riding.

An all-terrain vehicle is any motorized off-highway vehicle designed to travel on four low-pressure tires, having a seat designed to be straddled by the operator and handlebars for steering control. Single rider ATV's are intended for use by a single operator and no passenger. Two-up ATVs are designed for an operator and one passenger.

Attention ATV Riders in NORTH CAROLINA

Ride Right! The new North Carolina ATV safety law (SB 189) was passed for your safety. To ride right, be **at least 8 years old** and:

Ride an ATV that's right for your age (20.171.10):

- 8-11 years of age – under 70cc engine displacement
- 12-15 years of age – 70cc-90cc engine displacement
- 16 years of age and older – over 90cc engine displacement

Ride supervised (20.171.10):

- ATVs are not toys. If you are under age 16 you must be supervised by a person who is at least 18 years old

Ride with protection (20.171.14):

- Always wear a DOT-approved helmet
- Always wear eye protection

Ride in control (20.171.11):

- Never carry a passenger on a single-rider vehicle

Ride aware (20.171.14):

- Be on your game – No alcohol or other drugs that can impair vision and coordination
- Never ride on public streets or roads – another vehicle could hit you
- Stay on trails and ride at a safe speed

Ride an ATV that has (20.171.13):

- A brake system in good working order
- An effective muffler
- A USDA Forest Service approved spark arrester
